MEMORANDUM FOR: Chief, Printing and Photography Division
Office of Logistics

FROM: Daniel A. Childs, Jr.
Comptroller

SUBJECT: Printing and Photography Division Support

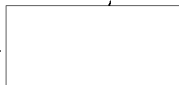

Bu:

1. I want to express my personal appreciation to your staff--especially those who worked last weekend--for their support in producing the 1985 Program/Budget Call in such a short timeframe. We have come to depend on your assistance in getting the Agency's budget documents out on schedule despite short deadlines.

2. It was particularly important that we get the 1985 Call to Agency components who needed it to start work on their 1985 submissions. Your extra effort, considering some of the unforeseen difficulties we encountered, is much appreciated.

3. I also want to take this opportunity to thank you for your support in the current 1984 Congressional exercise. We have been getting extremely fast turnaround on our material. I want you to know that we are fully aware of the task you face in printing the whole Community Budget and that we will cooperate with you in whatever way we can to make your job easier.

4. Again, thanks for your continued support.

Daniel A. Childs, Jr.
